Why Host an Event?

At NO MORE, we believe in the power of collectiveness, in spreading awareness, ending the stigma and dismantling the culture that allows violence to persist:

You can help! One small action can make a huge difference for NO MORE. Whether large or small - a fundraising event is a great opportunity to raise money for NO MORE and support action to end domestic and sexual violence. By hosting an event, you are helping us to achieve that mission by **starting conversations, encouraging action** and **driving resources** to NO MORE.
